Mr. Jan Schipper Drs. R.D. Gunther NIBE-SVV Herengracht 205 1016 BE Amsterdam The Netherlands

Dear Messrs Shcipper and Gunther,

You may recall that I claimed that I am not totally qualified to deal on matters of banking secrecy and privacy. However, I came across this speech the other day in which our Chairman, Marcel Ospel, deals with the topic.

I hope you find this of interest.

Yours sincerely,

Hans de Gier
